Dear Friends of SOWELA Region,

Do you remember all the fun times and good fellowship you have enjoyed over the years at SOWELA events? We remember them, and are inviting all of our friends to come to Lake Charles one more time, to help us celebrate our fiftieth anniversary as a region, and to renew some of the friendships and fun from years gone by. Save the weekend of October 24 and 25, and let us know that you are interested, so that we can keep you posted as plans develop.
